

A woman with short grey hair and glasses is smiling. She is wearing a blue vest over a grey long-sleeved shirt. The vest has a logo on the left chest that says "NABU" with a stylized bird above it. She is holding three apples: one green apple in her right hand and two red and green apples in her left hand. The background shows trees and foliage, suggesting an orchard setting.

Macht Spaß.  
Macht Sinn.  
Mach mit!
