THE NABU SNOW LEOPARD PRIZE 2026

The NABU Snow Leopard Award honors outstanding contributions to the conservation of snow leopards. It is presented to individuals and organizations who have demonstrated exceptional dedication to protecting this endangered big cat. NABU has presented the award annually since **2018** on **October 23**, the **"International Snow Leopard Day."**

Are you actively involved in snow leopard conservation or do you know someone who is making a significant impact in this field? If so, we invite you to submit a nomination or application by **14th of September 2026**. Simply complete this form and send it to: **snowleopard-award@NABU.de**
